

Are you a blacksmith, carpenter, mechanic, or do you have another trade?

-And would you like to become a specialist in bending aluminium profiles?

SJOLUND A/S is recognized by demanding clients worldwide and known for delivering the highest quality and the most complex components.

Our slogan is:

Anything is possible!

We are looking for the **next generation** of specialists to join our experienced team.

WE OFFER:

- Training and development
- A versatile and independent workday
- A good working environment
- 4-day work week
- Good employment conditions
- Good future prospects
- Friendly and helpful colleagues who are among the best in the world in their field

WE EXPECT FROM YOU THAT YOU:

- Are quality-conscious
- Are eager to learn new things
- Are not afraid of making mistakes
- Are a good colleague
- Are responsible and loyal

If you want to learn more about the opportunities, please contact our production manager, Kasper Straarup.
